- I, Detective Eddy Marill being duly swom state the following:
- employed since March 4, 1991. I am currently assigned to the DEA Southeast Florida Regional Task Force Group 1 in Fort Lauderdale. I have been assigned to the Vice Intelligence Narcotics Unit since February of 1998. I have been Federally Deputized in August 1999, and have been empowered to enforce all violations of the Federal narcotics laws. I have attended numerous narcotics training schools and throughout the course of my career made numerous drug related arrests and seizures. The following information is a result of personal knowledge as well as information provided to my by other agents/officers who have worked on this investigation.
- 2. On September 15, 2000, members of the DEA Southeast Florida Regional Task Force Group I debriefed a confidential informant (hereinafter referred to as informant) at the Fort Lauderdale District Office. The informant advised that Rayner E. James and Quince A. Stewart are two independent cocaine traffickers operating in the South Florida area.
- 3. On September 20, 2000, at approximately 10:30 a.m., the informant called James and arranged a meeting with James at the Dave and Busters Restaurant, 3000 Oakwood.

 Boulevard, Hollywood, Florida, to discuss the purchase of ten kilograms of cocaine. The informant was searched and found to be free of illegal contraband. The informant was equipped with a consensual eavesdropping device. On September 20, 2000 at approximately 2:30 p.m., the informant met with James and Stewart at the meet location and discussed the ten kilograms of cocaine transaction.
- During the meeting, James and Stewart advised the informant that they were ready to complete the narcotics transaction. The defendants told the informant that they wanted to sell

the informant five (5) kilograms of cocaine on the first transaction. The informant would then be able to test the quality of the cocaine and then they would sell the other five (5) kilograms of cocaine later in the day. James and Stewart further advised that the informant could come back to Stewarts' residence, located at 6971 SW 40th St., Miramar, Florida and look at five of the ten kilograms of cocaine. The informant told James that the informant would contact James a short time later.

- 5. On September 20, 2000, at approximately 4:00 p.m., the informant contacted James. During this conversation, James told the informant that he would be at the residence, 6971 SW 40th Street, Miramar, Florida in one half-hour and for the informant to come by the residence. At approximately 4:30 p.m., surveillance was established at 6971 SW 40th Street, Miramar, Fl. At approximately 6:30 p.m., The informant arrived at the residence. While in the residence, the informant met with James and Stewart. The informant was displayed five kilograms of cocaine. While they were looking at the cocaine, the informant requested a sample. During which time, James, Stewart and the informant cut into one of the kilograms of cocaine to retrieve the sample. A short time later, the informant left the residence with said sample of cocaine. The cocaine sample was field and tested with positive results.
- Shortly after the informant left the residence, surveillance observed Stewart and James exit the residence and walked behind a silver BMW, at which time, Stewart placed a blue and white box into the truck of the vehicle. Stewart and James then drove the vehicle to a parking spot away from the residence. They then exited the vehicle and walked back to the residence. At this time, constant surveillance was maintained on the silver BMW and Stewart's residence. At about the same time, the agents/officers obtained a State search warrant. Stewart and James were standing in front of the residence while the Hollywood SWAT team executed the
